 Thursday-Saturday 08:00-17:00 (general market)  
 Regular fixed units open each day.

This listing has been created to indicate the wide variety of shops in the centre of Devizes, updated December 2015. Some changes will happen subsequently. Compiled by outside view, not with owner participation, so that it is not limited by size or marketing budget. Type of shop has been indicated but each independent will be different. There are separate leaflets for eating places, map and attractions. Whilst every care has been taken, Devizes Area Tourism Partnership and those involved can accept no liability for any error or omission. Please contact us with updates, it's a dynamic document. This list includes Devizes DIVAS, a network of 15 varied shops on a decorative and antique theme, with their own leaflet.

## Shopping Experience

Devizes has one of the largest market places in the West of England, with a regular Thursday Market, dating back to its Royal Charter of 1141. It is still enhanced by the Wadworth shire horses delivering beer. The Shambles hosts covered markets on six days each week. The Market Place and main streets are the scene of many popular events during the year. As well as major national chains, in the centre of town, Devizes benefits from a wide range of independently owned shops.
